

SENATE.

FRIDAY, *December 14, 1910.*

THE CENSUS.

The VICE PRESIDENT laid before the Senate the following message from the President of the United States (S. Doc. No. 705), which was read and, with the accompanying paper, referred to the Committee on the Census and ordered to be printed:

To the Senate and House of Representatives:

There is transmitted herewith a statement, prepared by the Bureau of the Census, of the Department of Commerce and Labor, showing the result of the enumeration of continental united States, and of Alaska, Hawaii, Porto Rico, and persons in the military and naval service abroad, according to the Thirteenth Decennial Census, taken as of date April 15, 1910.

WM. H. TAFT.

THE WHITE HOUSE, *December 14, 1910.*
